

The Southern Gospel Music Forum Radio Program is an hour long program featuring Southern Gospel Music. The program is hosted by Scott Evans.

The Southern Gospel Music Forum Radio Program began in March of 2004 and aired exclusively on the internet radio station, Tunes4Him.com for six years. When Tunes4Him.com went off the air in March of 2010, production of the program was shut down for a couple of months until a couple of stations contacted me and gave me the opportunity to air the program on their stations. Since that time, the Southern Gospel Music Forum Radio Program has become a valuable resource for several stations. Here is what one station owner had to say about the program:

"I from time to time like to stop and just thank people for doing a great job and today I was thinking of the Southern Gospel Music Forum Radio Program. For several years you have produced the best of the very best, on a weekly basis and then too during the Holidays. Your Christmas programs are the best anyone could ever produce, and then your main weekly program is one of our top programs here on WVSG RADIO. I thank you for your hard work and your dedication to what you do. Me, my staff and our thousands of listeners hope to see you around for many more years."
